STATE POLICE BRACES FOR CYBER CRIMES

DGP N. Ramachandran asked state police officers to get professionally trained and brace themselves for the prevention, detection and investigation of cyber crimes. DGP said that most of the crimes and even wars will be fought in the cyber space. DGP exhorted this in his valedictory address to the state police officers who underwent a five day training course at the Cyber Forensic training centre at Golf Links, Shillong. The training was conducted by C-Dac, Kolkata and the state FSL Director. The state's FSL will also cater to providing expertise in handling cyber crimes in future.
