DO No. K-14011/2/2011-UT

Date: 25th February, 2011

Dear Shri Singh,

As in the previous years, the 4th Annual Conference and Exhibition on 'Urban Mobility' 2011, sponsored by the Ministry of Urban Development, Government of India will be held from 3rd to 6th December, 2011 in Delhi. At this conference, like in the previous years, awards will be given to 'Best Practice' projects in urban transport. The list of winners in earlier conferences is at Annexure A. For the year 2011, awards for 'Best Practice' projects in Urban Transport will be conferred in the following eight categories:-

- i. Best PPP initiative in Urban Transport
- ii. Best NMT project (Pedestrian/ Cycle Rickshaw/ Cycle Transport Project)
- iii. Best Urban Mass Transit Project (BRT, Metro, LRT etc.)
- iv. Best Clean Development Mechanism Project
- v. Best Intelligent Transport System Project
- vi. Best Integrated Multimodal Transportation System
- vii. New Technological Applications/ innovations
- viii. Overall excellence for Urban transport for the city—Urban Transport Trophy

2. The following points may be noted:

- i. Awards will not be given to consultants.
- ii. The proposal for award will be considered only for those projects/ plans proposed by the city/parastatal which have either been implemented fully or substantially. In order to give time to the cities for implementation of Comprehensive Mobility Plan (CMP), award for CMP would be started a few years hence.
- iii. The award for Overall Excellence for Urban Transport for City would be made on the basis of progress of implementation of various facets of National Urban Transport Policy (NUTP).

Cont..2/

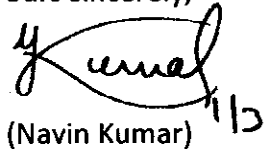

- iv. Projects which were selected for awards in the earlier years would not be eligible for subsequent years. However, projects which were awarded earlier in the category of **“Commendable Emerging Initiative”** will be eligible for submitting these entries in future years. This year also, projects which have not been completed but are Commendable Emerging Initiatives will be covered under this special category.
- v. The Awardees will be selected by a committee of experts constituted by the Ministry of Urban Development, Government of India. The committee or a group of members of the ‘Awards Committee’ would undertake a visit to the city/cities being considered under the special category **‘Overall Excellence for Urban Transport for City’** to get a first- hand knowledge of the achievements claimed by the city in support of their entry for the award in this category.

3. You are requested to have entries for Awards for ‘best practice’ projects and overall excellence sent, separately, by 31st August, 2011 with a two page summary of the project as per proforma attached as **Annexure B**.

4. The entries both hard copy (in duplicate) and in soft form are to be addressed to Shri C.L. Kaul, Executive Secretary, Institute of Urban Transport (India), NBO Building, ‘G’ Wing, Nirman Bhawan, New Delhi-110011; E-mail at: iutindia.conference.11@gmail.com.

With best wishes,

Yours sincerely,

(Navin Kumar)

Encl: as above

Shri Prem Singh
Director General of Police,
Meghalaya
Shilong-793001.

Annexure A

List of Projects awarded under different categories in recognition of Transport 2008

S.No.	Category	Project name	Institution which won the award
1	Best Cycle Rickshaw/ Cycle transport Project	Cycle & Cycle Rickshaw friendly Delhi Bus Rapid Transit Corridor,	Delhi Integrated Multimodal Transit System (DIMTS)
2	Best Intelligent Transport System Project	Intelligent Public Transport System Integrated with PIS,	Delhi Integrated Multimodal Transit System DIMTS
3	Best Mass Transit Project (BRTS, Metro/LRT etc.)	Janmarg-Ahmadabad BRTS Project (Winner)	Ahmedabad Municipal Corporation
		Sub-urban Rail- Mumbai Urban Transport Project Phase-1 & 2 (Runners Up), Mumbai	Mumbai Railway Vikas Corporation
4	Best Clean Development Mechanism Project/ Best Environment Friendly Project	Planning, Construction and Maintenance of MRTS	Delhi Metro Rail Corporation
5	Research work in UT in India	Role of Congestion Charging among different TDM measures in determining the mode choice behavior-a case study of Ahmedabad	Ms. Lavinder Walia, CEPT University, Ahmedabad
6	Best Integrated Multimodal Transportation System	Thane Railway Station Area- Traffic Improvement Scheme	Thane Municipal Corporation
7	Any Other Project	Automated Electronic Driving Test	Karnataka State Road Transport Corporation

List of Projects awarded under different categories in recognition of excellence Urban Transport 2009

S.No.	Category of award	Institution which won the award
1	Best PPP initiative in Urban Transport Project	Surat Municipal Corporation for best Public Private Partnership Funding Concept.
2	Best Cycle Rickshaw /Cycle Transport Project	Indian Institute of Technology, Guwahati for its project "Dipbhan Rickshaw Bank Project", improving Non motorized transport
3	Best Transit Project (BRTS, Metro/LRT etc.)	Delhi Metro Rail Corporation for Planning, Construction and Maintenance of Mass Rapid Transport System.
4	Best environmental friendly project	Surat Municipal Corporation for Managing both transportation infrastructure and cleaner environment.
5	Best Intelligent Transport System Project	Bangalore City Traffic Police for through adopting Best Intelligent Transport System (B-TRAC 2010)
6	Best Multi Modal Integrated Project	Pune Municipal Corporation for through Implementing Best Multimodal Integrated Project
Special awards were given to the following organizations:		
1	Vadodara Municipal Corporation for Organized city bus services in Vadodara	
2	DDF Consultants Pvt. Ltd.for preparation of "Comprehensive Mobility Plan for the Agartala City and its Metrolopitan area"	
3	Regional Transport Authority, Pune for "Scientific Management of Auto Rickshaws in Pune."	
4	Karnataka State Road Transport Corporation for "Electronic Ticketing System in Public Transport System, Mysore."	

List of Projects awarded under different categories in recognition of excellence Urban Transport 2010

S.No.	Category of award	Institution which won the award
1	Best Urban Mass Transit Project	BMTC, Bangalore
2	New Technological Applications / Innovations	Ahmedabad Municipal Corporation, Ahmedabad
3	Best Clean Development Mechanism Project	KSRTC, Mysore/ Karnataka
4	Best NMT Project	DIMTS, Delhi

Commendable Emerging Initiative

5	Towards improvement in Public Transport Services in Jaipur through creation of BRTS corridor and introduction of Modern City Buses under JnNURM	JDA/ JCTSL, Jaipur
6	Towards improvement in Urban Mobility in the City of Pimpri Chinchwad through creation of a Dedicated Urban Transport Fund (UTF)	PCMC, Pimpri Chinchwad

ANNEXURE B

Conference and Exhibition on Urban Mobility India 2011

3rd to 6th December 2011**Format for submission of entries for Awards for Excellence in Urban Transport**

S. no	Head	
1	Awards Category under which proposed and why	
2	Name of Project	
3	Person to be contacted with contact details	
4	Brief description of the current urban transport scene	
5	Current status of the Project (Planning/ construction/ operation)	
6	Was the project executed in time (Start date/ Contractual completion date/ Actual completion date)	
7	Description of the project , need for the project, objectives and achievement	
	<ul style="list-style-type: none"> • Improvement in Travel speed. 	
	<ul style="list-style-type: none"> • Reduction in accidents. 	
	<ul style="list-style-type: none"> • Reduction in green house gas emissions. 	
	<ul style="list-style-type: none"> • Reduction in air and noise pollution 	
	<ul style="list-style-type: none"> • Reduction in energy consumption. 	

	<ul style="list-style-type: none"> • Any other benefits 	
8	Public response to the project	
8	<p>Project outline with key features</p> <p>Estimated cost/ Actual cost on completion</p> <ul style="list-style-type: none"> • Contribution of Center/State/ULB Government. • PPP Model-if any. • Economic Benefits (EIRR). • Financial profile (FIRR) • Revenue as % to operation Cost. 	

CATEGORY WISE INFORMATION

Category wise information may please be furnished as follows. Where your project is not covered in any of the categories, please furnish similar information to enable proper evaluation.

1. Category: Overall excellence for urban transport for the city

- Current status of implementation of Comprehensive Mobility Plan
- Strategies and measures adopted for Integration of Land use and Transport
- Strategies and measures adopted for Prioritization and NMT project implementation
- ITS development measures
- Inter-modal connectivity
- Setting up of UMTA and current status
- Dedicated Urban Transport Fund
- Proposal for city wide Mass Rapid Transit System and status of implementation
- Information about financial details of each project with a cost benefit analysis

2. Category: Best PPP initiatives in Urban Transport

- How attractive is the proposal
- Partnership ratio
- Progress in implementation
- Is it a success physically and financially?

3. Category: New Technological Applications / Innovations

Has the innovation been implemented; what is the achievement so far

How is it a better design, e.g., is it lower capital cost, lower maintenance cost, increased passenger capacity and/or comfort, reduced driver fatigue, etc.?

4. Category: Best Clean Development Mechanism Project

Promoting bus services

Impact on Bus Ridership

Reducing pollution

Quantify reduction in Green House Gas emission, reduction in pollution, Energy conservation

How is the overall improvement in fuel efficiency allocated to this particular initiative, rather than other factors?

Fuel Switch Project

How much new fuel is consumed? What is the extent of actual fuel switching? Quantify actual CDM benefits (like reduction in emission, GHG etc.) and other financial benefits if any and compare to the cost of the project, e.g., engine conversions, fuel facilities, etc.

5. Category: Best Intelligent Transport System Project

The role of various components in improving the overall transport system and traffic flow

No. of challans issued using the Red Light Violation detection system and collections.

Are the numbers of incidents of violation lower, or is collection higher because of better evidence? What other evidence of benefits can be provided for RLVDs?

Provide examples of daily or weekly reports generated and how they are being used

Evidence of benefits of Area Traffic Control System; is waiting time reduced?

What evidence of transport benefits can be provided?

Implementation of Vehicle Control using GPS Technology

Why is the ratio of buses to display boards so high? Is it a fleet management system or a passenger information system (PIS)? How many stops have installed a PIS system?

Improvement in on time service

Electronic Ticketing Machines; their usage and costs and benefits

6. Category: Best NMT Project

How effective is the project?

Is the user satisfied?

How is awareness being spread?

Provide details on pick-up and drop-offs by location, as below and any other details of usage and actual financials, as available.

7. Best Urban Mass Transit Project (BRT, Metro, LRT etc.)

8. Best Integrated Multimodal Transportation System
